WHAT DO THE PEOPLE WE TRUST ALL HAVE IN COMMON?

THEY ALL TRUST IN THE LEADERSHIP OF FÉLIX W. ORTIZ!

We trust in the leadership of **Assemblyman Félix W. Ortiz**. His leadership has already won us a raise in the minimum wage, access to affordable health insurance and paid sick leave. He has always fought for the rights of working families, and had our backs on the picket line.

His **progressive, trendsetting legislation saves lives and rights injustice**. His leadership brings us innovative laws to fight climate change, new protections for women in the workplace, and the LGBTQ community. **Félix is always ahead of the curve.**
