DEMOCRAT FOR CITY COUNCIL  
**CLARK**  
JASON MYLES

Jason Myles Clark  
Candidate, City Council District 27

I believe the best is yet to come for Southeast Queens. Our district is made up of a beautiful mosaic of faiths, beliefs, and ethnicities, and we must elect a leader who will fight to make sure each of us has a seat at the table. I would like to be that leader for you.

As your next City Councilman, I will fight to protect workers, revitalize our small businesses, increase public transportation options, and help our community recover from COVID-19. I will empower communities of color like ours and eliminate disparities that exist in health care, education, housing and the criminal justice system.

**WITH JASON MYLES CLARK  
AS OUR NEXT COUNCILMEMBER,  
THERE ARE FIVE THINGS THAT WE  
CAN DO ON DAY ONE.**

# BECAUSE WE CAN ONLY BUILD A **STRONGER** **COMMUNITY TOGETHER!**

## 5 THINGS:

### 1 • HOUSING & RENTERS

Jason will fight for a moratorium on tax liens on residential properties until after the COVID-19 pandemic is over, and will champion legislation that prevents renters who are in arrears from being evicted.

### 2 • SENIOR CITIZENS

Jason will fight to protect seniors from consumer fraud, predatory lending, and deed theft, and other scams targeting them. He will also secure more funding to protect seniors from COVID-19.

### 3 • TRANSPORTATION

Jason will defend commuters from the MTA's proposed 40-50% cuts in communities like Southeast Queens that already have limited mass transit. We must protect jobs and increase transportation service.

### 4 • EDUCATION

Jason will work with the NYC Department of Education to implement accelerated programming in all our schools. He will also prioritize improving graduation rates and making sure that every child in our district has an opportunity to obtain a post-secondary education.

### 5 • SMALL BUSINESS & ECONOMIC DEVELOPMENT

Jason will seek out funding, grants, and loans for our neighborhoods, and fight for rent forgiveness to small businesses owing thousands of dollars in commercial rent and help recovery after COVID-19.
